The Embassy of India in the United States presents its compliments to the U.S. Department of State and has the honour to refer to the Agreement concerning exports to the United States of cotton, wool and man-made fibre textiles and textile products manufactured in India affected by exchange of letters between the two governments on December 30, 1977, as amended.^[1]

Under the provisions of paragraph 6 of the above mentioned Agreement, the Government of India informs the Government of the United States that it wishes to export to the United States textile products in excess of the consultation level currently applicable to category 666, other furnishings of man-made fibre. Accordingly, the Embassy has the honour to request that the consultation level for category 666 be raised to 4 million square yards equivalent for the Second Agreement Year.

The Embassy of India avails itself of this opportunity to renew to the U.S. Department of State the assurances of its highest consideration.
